

TITLE PAGE

ARTICLE TITLE

FIRST NAME AND SURNAME OF THE AUTHOR

Author's affiliation

Author's institutional address, incl. e-mail

Abstract

The text of the abstract should be indented 1,2 cm (left and right indentation). The abstract should be between 150 ~ 200 words and should not contain any citations. It should give clear and concise information about the research. It should answer the following questions about your manuscript: What was done”, Why did you do it?, What did you find?, Why are these findings important and useful?. The author(s) should state the major aim of the research and explain how the study was performed, what the findings were and why they are considered useful and important, and how these findings contribute to future research on the topic.

Keywords: *[Italics, Centred]*
